A detail that changes everything

NOVA L Line

Louvres are an accent everyone loves. They add subtle depth to classic designs and offer a unique motif to any door.

ALUNA+

Every detail counts!

Every detail matters – and in the case of the NOVA doors, this principle is the foundation of their **quality, safety, and aesthetics**.

The decorative motifs of the NOVA doors are crafted to impress both from afar and up close.

ALUNA+

PRIME

The Aluna+ PRIME range is our elite collection of external aluminium doors, which fuses great style and excellent technical parameters. A solution perfect in every detail.

The Aluna+ PRIME door personifies safety, comfort, appeal, durability, and almost endless customisation possibilities.

Aluna+ PRIME creates limitless possibilities to design beautiful, safe, and ultimate aluminium doors. We present to you our most prestigious design, that you can personalise to your bespoke tastes; choose your perfect colour, select your ideal accessories, and add any final touches to create your perfect door.

PRIME Range
Luxury Redefined

A home is a very special place that homeowners want to plan and create in line with their own expectations. Sometimes, therefore they need something extraordinary in order to meet that next level of demand.

That something is the Aluna+ PRIME range of aluminium doors. With unique designs, practical features, and vast functional accessories every possible request can be, not just met, but exceeded.

Allow yourself to feel inspired by the uniqueness and modern appeal of the ultimate Aluna+ PRIME door.

PRIME | **801**

PRIME | **802**

PRIME | **803**

Exceptional textures

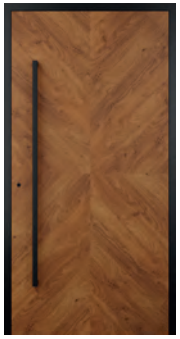

Experience the beauty of the PRIME doors not only with your eyes, but also through touch. The 800 line features doors finished with sintered quartz - offering a unique texture and stunning natural tones. This technology ensures that no two PRIME 800 doors are ever the same.

Exceptional style

In the 500 line, wood takes the centre stage, but in a form that's hard to find elsewhere. An unconventional layout, modern lines, and a colour palette that spans the most beautiful shades of brown.

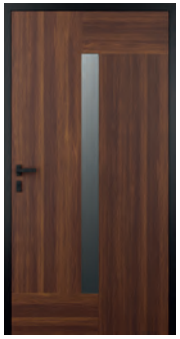

PRIME | **501**
